### From The BV Office

The 2011 Yonex Australian Open is almost upon us. We have record numbers of competitors this year, so many people want to play that unfortunately some competitors will miss out on playing due to BWF rules limiting the number of entries we can accept into events.

This year's event has attracted extremely strong players in all disciplines; some of the higher profile players have been highlighted further in the newsletter. We are expecting a large crowd for the semi final on the 9<sup>th</sup> April and final on Sunday 10<sup>th</sup> April, with both days starting at 3pm.

Tickets for the event are available for purchase through the Badminton Victoria office. Please call 9686 4777 or turn to page 8 of this months newsletter for information.

We are now looking for team liaison officers to look after some of the larger teams that are coming to Melbourne. If you would like to be involved please contact me at the Badminton Victoria office. The liaison officers would meet the team at the airport when they arrive, along with a Badminton Victoria representative, speak the language of the arriving team, be with the team for the first few hours after arrival, provide them with extra information regarding transportation, where to eat, what to see in Melbourne and be available to assist the team when they are at the playing venue. You would be the link between the team and the event directors.

Teams we are looking to have liaison officers for include Indonesia, China, Japan, Thailand, India, Malaysia, Hong Kong, Chinese Taipei, Singapore, Peru & Brazil.

I look forward to seeing many of you during the event.

State Director

# Presenter/Facilitator Training

Highly skilled presenters are an essential component of a quality coach and official education system. Good presenters use a confident and enthusiastic approach to captivate and motivate people to learn by facilitating opportunities to develop competence.

## What is the ASC Presenter/Facilitator Training Program?

The ASC Presenter/Facilitator Training Program is a one-day workshop that aims to equip presenters and facilitators with the skills to deliver quality and effective coaching and officiating programs.

## Who is the program aimed at?

The program is aimed at presenters delivering coaching and officiating programs within the National Coaching Accreditation Scheme (NCAS) and National Officiating Accreditation Scheme (NOAS).

## What is covered in the ASC Presenter/Facilitator Training Program?

The ASC Presenter/Facilitator Training Program assists presenters to deliver effective and practical education for coaches and officials. Topics covered in the workshop include:

- > How to conduct a practical session
- > Learning methods that work
- > Preparing to deliver, review and evaluate training
- > Roles and responsibilities of NCAS and NOAS facilitators.

## How will you be assessed?

Participants will have the opportunity to deliver several presentations during the workshop and will be assessed on their delivery of a five-minute practical presentation.

## How can I enrol in the ASC Presenter/Facilitator Training Program?

The program is available through state and territory departments of sport and recreation. Some state and national sporting organisations also deliver the program as part of their sport-specific presenter training.

Contact details for your state or territory department of sport and recreation can be found at [ausport.gov.au/coachofficial](http://ausport.gov.au/coachofficial)
