August 2010

Welcome to our first newsletter for what we hope to be a regular fixture on the badminton calendar. Western Suburbs Badminton Association is the largest association in Australia and is based in the western suburbs of Melbourne with its own twelve court stadium. Over the years we have been concerned with the disappearance of players once they pass the Under 19 age category for national events. We hope this event will reintroduce Under 23 players to a competitive team competition and lead to an interstate series in the future.

The inaugural event will consist of a teams event from affiliated associations of Badminton Australia, to be made up of a minimum two ladies and two men. The teams event will be followed by Individual Championships in singles, doubles and mixed. Depending on entries, we plan to run the event over three days and should be well after university and senior school exams.

Team format will be 2 mens singles, 2 ladies singles, 1 mens doubles, one ladies doubles and 2 mixed doubles. All matches will be rally point, best of three sets to 21.

Individual events will be held in singles, doubles and mixed. Matches will be round robin. All matches will be rally point, best of three sets to 21.

Entry fees will be \$100.00 per player if competing in the team event and the individual events. Otherwise it will be \$50.00 per player to the individual events.
